Serving Our Residents

Mayor's Comments

Melanie Rose White

In just about three months, our community will celebrate the 20th year of operation for the Village Center. From the worldly wisdom of Secretary of State Madeleine Albright, to the culinary critiques of TV chef Christopher Kimball, our Center housed a whirlwind of speakers, classes, and lectures this past year. And, in 2006, you can count on even more activities in the Center—more presentations, more discussions, and more special events.

In May, the residents of Friendship Heights re-elected all seven Village Council members who ran with a campaign promise to continue the outstanding level of programs, trips, services, and amenities that have become synonymous with our community. Working hand-in-hand with our talented and industrious Village staff, the Council has responded to many of our residents' needs and requests as we strive to improve the Village and to serve our diverse population.

Here are just a few examples—

- Bumping out sidewalks at the South Park Avenue/Hills Plaza intersection to improve pedestrian safety.
- Enhancing the safety and comfort of users of our free shuttle service with a new, more accessible bus.
- Getting the County to restore parking spaces on Willard Avenue.
- Preventing construction trucks from cutting through Village streets.
- Stopping a proposed condominium building at

South Park and Wisconsin Avenues.

- Developing more activities to appeal to younger Village residents.
- Subsidizing lifesaving CPR/defibrillator classes at the Center.

In the months ahead, you'll see even more improvements as we re-landscape Hubert Humphrey Park back to its award-winning form.

As we've often said, no Village programs, activities, or projects would be possible without your tax dollar.

Inside this report is the proposed budget for FY2007. Please be sure to read the "Treasurer's Report" prepared by Council Treasurer Dr. Alvan Morris on page 5. The budget proposes a tax rate of 4 cents per \$100, which is the lowest tax rate allowed by our charter! **The FY07 budget is balanced and fully funds all of the outstanding, high-quality services that you expect from your community.**

Many of you are probably familiar with the African proverb,

"It takes a village to raise a child . . ." As I attend meetings, listen to residents, and interact with staff throughout the year, I often think to myself how it *does* take a village . . . to make our Village *great*. On behalf of the entire Council, I thank each of the Village staff and every Village volunteer who works tirelessly on our community's behalf. We hope that all of our residents will continue to participate in Center events and will share their ideas and concerns with us during the coming months as we continue to serve.

I wish each of you a happy, safe, and peaceful year ahead.

Our new intersection bumpout at South Park/Hills Plaza improved pedestrian safety.

2005 Village Report

Julian P. Mansfield, Village Manager

The Friendship Heights Village Council consists of seven volunteer residents elected by the community to serve two-year terms. All seven Council incumbents were re-elected in May 2005. Following the election, the Council selected its officers: Mayor, Melanie White; Chairman, Maurice Trebach; Vice Chairman, Leonard "Chip" Mudd; Treasurer, Al Morris; Secretary, Elizabeth Harris; Parliamentarian, Robert Schwarzbart; and Historian, Frank Valeo.

Assisting us in keeping the Center open seven days a week was our much appreciated group of volunteers. My special thanks to them and to our terrific staff (Annie Natali celebrated her 20th year of service in 2005!).

This past year we continued to work on repairs at the Village Center. A major waterproofing project was completed, including sealing the entire exterior of the building.

Klara Dobrev (whitehouse.gov)

INTERNATIONAL DELEGATION VISITS CENTER

In June we were visited by the First Lady of Hungary, Ms. Klara Dobrev. Along with a delegation from the Hungarian Embassy, Ms. Dobrev was in Washington for the Race for the Cure (she was an honorary co-chair), but she also wanted to learn more about local government services.

We held a special reception for her at the Center to provide an overview of how the Village government is structured and what services we provide. She told us that local governments in her country are not nearly as well established, but reforms have begun to decentralize government services.

COMMUNITY OUTREACH

We continued our participation in various organizations of concern to our community, including the Montgomery County Chapter of the Maryland Muni-

pal League and Montgomery Municipal Cable (the station that films and broadcasts many of our events). Mayor White, Bob Shapiro and I attended MML's annual conference, and Bob and I also attended the conference of the International City/County Management Association.

We also continued our involvement with the Friendship Heights Task Force (our Center hosts the meetings for the group) and the Friendship Heights Transportation Management District Advisory Committee (Len Grant and Capt. Pete Goldman, both residents of 4620 North Park, represent the Village on this Committee).

Councilmember Alvan Morris initiated our successful CPR/AED classes at the Center.

"PROJECT HEART BEAT"

This year, an initiative by Councilman Morris created "Project Heart Beat." Through this program 140 people received training in CPR and the use of an automated external defibrillator. The classes were offered at a very attractive price to everyone, but Village residents were able to take advantage of them for just \$5. This was made possible by a subsidy from the Rothstein educational scholarship fund. Rather than awarding money from the fund to just one or two winners this year, it was used to provide "scholarships" to the community at large to become certified in skills that are proven lifesavers. The Council intends to continue this program in future years.

COUNCIL OPPOSES PLAN FOR CONDOMINIUMS

In October, after a presentation by Grosvenor USA Limited, the Council opposed a plan to build 90 condominium apartments above the one-story retail portion of the Holiday Inn property at 5500 Wisconsin Avenue. Concerns included the lack of a coordinated plan for the entire site (including the Holiday Inn), confusion over the construction timeline, disruption and traffic impact, and the inadequacy of the proposed public amenity. After receiving a letter the Council sent to the County Planning Board, Board staff decided to oppose the plan also. The developer then withdrew it from further consideration.

NEW SHUTTLE BUS

In August, a brand new shuttle bus was put into service in the Village. A low-floor kneeling bus, it is fully accessible without having to lower an elevator lift. Our former bus (only a few years old) is still used on the route as a backup.

Our shuttle bus service, now 26 years old, continues to provide in excess of 10,000 passenger rides per month. It has been doing extra duty ferrying passengers to the Westwood Center Giant while the new Giant in Chevy Chase Center is being built.

MONTGOMERY COUNTY POLICE FIELD OFFICE

The Field Office, also in Village-owned space at 4602 North Park Avenue, is a cooperative effort between the Village Council and the Department of Police. An experiment when it began in 1997, it has attracted increased police presence and visibility in the Village ever since.

B-CC RESCUE SQUAD FACILITY

Since 2001 the B-CC Rescue Squad has operated a satellite facility at 4602 North Park Avenue. The Village is in contact with Rescue Squad officials to possibly expand the facility in order to provide additional response capability. Stay tuned for more information in the coming year.

VILLAGE COUNCIL CORNER

In addition to the *Council Report*, which is issued periodically, the "Village Council Corner" debuted in the June 2005 *Village News*. This monthly feature helps to keep residents up to date on both Council actions and important issues affecting the community.

"OFFICER MCAULIFFE" RETURNS

AFTER PEDESTRIAN SAFETY CONSTRUCTION

The sidewalk and curb at each corner of the South Park Avenue/Hills Plaza intersection have been extended to reduce the length of each crosswalk and increase visibility. The crossings are now 12 feet shorter, and it is much easier to see around parked cars to check for oncoming traffic. Staff got this idea at an AARP conference, and learned that versions of it are being applied elsewhere in Montgomery County. Feedback from Village walkers has been very positive. Residents were also glad to see our police statue re-installed. He had been removed for safekeeping during construction.

MVA Bus Schedule for first half of 2006 (all Mondays): January 30, February 27, March 27, April 24, May 22; no service in June

MVA ON WHEELS

The Maryland Motor Vehicle Administration Mobile Office is in its eighth year of service to the Village. Once a month the MVA bus parks on Friendship Boulevard next to the Village Center from 10 a.m. to 2 p.m. It provides all the services that are available at the MVA Express Offices, such as renewing driver's licenses, renewing vehicle registrations, renewing MD photo identifications, obtaining disability placards, and returning tags.

Pictured above (left to right) are Kathy Wiederock, Rea Dimler, and Sandy Bathurst of the MVA staff, who help to make the MVA bus one of the most popular and convenient services in the Village. Stop in and see them the next time you need to visit the MVA.

Chevy Chase Center nears completion

Construction at the **Chevy Chase Center** entered its final phase by year's end. Clyde's (below left) reopened last year and will have a new outdoor seating area this summer. The Collection at Chevy Chase (below right) features two buildings with luxury retailers on Wisconsin Avenue, separated by a small park. Most of the stores are now open, with a few more coming this spring. The finished project will also feature:

- A new 30,000 square foot Giant grocery store with pharmacy
- New neighborhood retail on Wisconsin Circle, including Chevy Chase Bank, Eagle Bank, Papyrus, Potomac Pizza, Galaxie Drycleaners, Gifford's Ice Cream & Candy Co., Perez Salon and Day Spa, a Montgomery County Liquor Store and Sushi-Ko
- An office building to be fully occupied by the Mills Corporation

The Bloomingdale's is now under construction at the corner of Western Avenue and Friendship Boulevard (the existing Hecht's will remain open until the new store is finished). The site will also include a Whole Foods grocery store, a community center, underground parking, and pedestrian plazas throughout. A public park will be in front of the residential building (see rendering at right).

FOOTNOTES

Revenues

- 1 The special tax rate for the Village of Friendship Heights (not less than 4¢/\$100 nor more than 20¢/\$100 on assessments based on 100% of value), set by the Friendship Heights Village Council, was 5¢/\$100 in FY2006, and is proposed to be 4¢/\$100 for FY2007, which begins July 1, 2006. Based on Montgomery County's estimate of assessable base of \$844,126,500.
- 2 Estimate reflects the portion of the county tax rate returned to the Village from state filings.
- 3 An agreement between the county and municipalities (including special tax districts) requires the county to reimburse special tax districts for a portion of certain expenditures, which currently include park maintenance, health services, and road maintenance.
- 4 This amount is derived from a state formula based on the number of registered vehicles at Village addresses.
- 5 Parking violation income is collected by Montgomery County. The Village revenue share is 75%.
- 6 Interest is from Village funds placed in a state-regulated fund established for local Maryland governments—the Local Government Investment Trust. Interest on the Capital Improvements Fund, included in the audit figure, is not included in the budget.
- 7 Permit fees are paid by contractors who occupy public rights-of-way (streets and sidewalks). By law, the fees defray only the reasonable administrative costs of maintaining the permit system and are currently \$250. Certain license fees are also received from the state.
- 8 Includes a percentage of art sales and commission from produce market sales.

2005 Program Report

Jennie Fogarty, Associate Program Director
Anne O'Neil, Associate Program Director

Once again, in 2005, the Village Center was a hive of activity as residents gathered for classes, concerts, lectures, trips, and special events.

Ongoing programs included YMCA exercise classes, Great Books discussion groups, Italian, Spanish, and Yiddish classes, Tai Chi, Yoga, art classes, Thursday night movies and Scrabble games, Wednesday night concerts, Suburban Hospital blood pressure checks, on-site nurse specialist, Vision Transitions, monthly art exhibits, University of Maryland's health insurance assistance, tax assistance from February to April, Coffee and Current Events, Walking Club, the MVA's Mobile Office and Twin Springs Produce Market from May to November. Monthly "special lunches" prepared by Jelena Koprivica of Brighton Gardens continue to be popular.

The Bamberger Series featured Julian Bond in December.

CLASSES

A variety of exercise and movement classes were offered at the Center in 2005: Mat Pilates taught by Ginger Russell; Bones for Life taught by Hedy Ohringer; Fit Forever taught by YMCA instructors; Strength Training taught twice a week by physical therapists from the

National Rehabilitation Hospital; Tai Chi taught twice a week by Thomas Johnson; and, Yoga taught by Robin Dinerman twice a week. A "drop-in" Tai Chi class led by students was held once a week and the Walking Club continued to meet three times a week. In addition, Robin Dinerman held several "drop-in" Yoga classes, taking donations to the B-CC Rescue Squad in lieu of payment.

Several art classes were offered: Drawing and Painting taught by Doris Haskel, Still Life Painting taught by Joan Samworth, and, Portraiture in Pencil and Pastel, taught by Marianne Winter. Classes in Italian, through the Italian Cultural Society, continued and were well

attended. A class in Conversational Spanish was added to the schedule this year. The instructor, Elena Marra-Lopez, is a Village resident and has taught teenagers and adults at Sidwell Friends School, Washington International School, Montgomery College and the USDA Graduate School. Café Muse, the monthly presentation of poetry by the Village and The Word Works, enjoyed another successful year.

Villagers enjoyed watching our brand new team, the Nationals, and performances at the Strathmore Music Hall, the French Embassy, The Kennedy Center, Arena Stage, Wolf Trap; the Hippodrome in Baltimore, and the annual Hexagon show.

CONCERTS

The Wednesday Evening Concert Series offered a wide variety of performances. Audiences enjoyed performances ranging from classical to Celtic to Cajun to klezmer, from big band to blues, from mariachi to new age, and the harp to the hula.

Outdoor evening concerts in Hubert Humphrey Park continued to draw crowds to hear music ranging from jazz from the Bethesda-Chevy Chase High School Jazz band to the USA Canteen’s swingband. The London Symphonette presented Saturday afternoon concerts in the winter, spring and fall, furthering a partnership with the Village to bring still more musical performances to the Center.

In June we took a trip to see Fallingwater, designed by Frank Lloyd Wright.

HEALTH

Issues of health and health care have always been of interest to Village residents. We felt very fortunate to be able to offer nearly 600 flu shots in the fall as well as 100 at the beginning of the year. Shots were administered by the Visiting Nurse Association. The Village Council instituted a series of CPR and AED classes called “Project HeartBeat” at a very low cost for residents. Suburban continued to provide weekly blood pressure checks and a nurse on site, as well as home visits and monthly health lectures. Vision Transitions, a support and edu-

cational group for people with low vision, changed its meeting time to evening and has attracted a loyal following. Murray West led a five-week course (for free) entitled "Improve Your Memory." AARP presented their Driver Safety program for adults over 55 in April and October.

FOR THE KIDS

Our children's programs continued to gain in popularity. Our Village Playtime, offered each Thursday afternoon, brought more and more children to the Village Center. The year 2005 saw the introduction of Saturday Storytime, an hour-long program featuring songs, stories, crafts and snacks, led by local actress and singer Barbara Papendorp. This year, we also welcomed Flumpa to the Center, for an afternoon of environmental awareness. In addition, McCoy, the lovable Bernese Mountain Dog appeared to help tell the story of the "Angel in the Dog Suit."

This summer Camp Friendship brought Village children together for a week's worth of fun and games, including a puppet show, pool party, magic show and arts and crafts. In October, we held our annual Halloween Bash, bringing almost 100 children to the Center for an evening of tricks, and treats and games.

COMMUNITY EVENTS

Every year we host four special community events—a New Year's Day Open House, Community Day (celebrating the anniversary of the Village Center), July 4th, and Fall Festival (featuring a 1940s theme last year). These gatherings attract large crowds to the Center for a variety of food and entertainment. Part of the program also includes a special recognition for our tireless volunteers.

A few theatrical performances were mounted on Friday afternoons as well as a fashion show starring models from the Village. Two "yard sales" were held and one included a dog parade as a special feature. Village residents kicked up their heels during our evening square dance and ice cream social in June, and

new residents were treated to a welcome-to-the-neighborhood party.

We visited Washington's popular International Spy Museum in February.

ART EXHIBITIONS

Millie Shott, our curator, once again coordinated a wide variety of art exhibitions each month at our Friendship Gallery. This year's exhibitors included (among others) the Washington Watercolor Association, the G Street Doll Club, the Watercolorists of Chevy Chase, a community juried art show celebrating the Fourth of July (cash prizes were donated by local businesses and given to the winners), and exhibits by Center art instructors and their students.

"A Holiday Affair" was offered again in November, which gave residents an opportunity to shop for unique hand-made gifts here at the Center.

THANK YOU

As always, the staff wishes to recognize the support we receive from our dedicated Mayor and Council members, volunteers, and committees. Many wonderful Village residents contribute hours of their time to help create the very special environment that is the Village Center. Our special thanks to all of you, and we look forward to more success in 2006!

"Wicker and Geraniums" by Judy Wengrovitz was featured in our March watercolor exhibit at the Friendship Gallery.
