 - Parking in Elizabeth turnaround: Julian is reaching out. Al will seek solution through Elizabeth Board
 - Dead trees on Willard by Chipotle. Roger Berliner's staff member is expediting it.
 - Some trees on Friendship Blvd by GEICO being replaced
 - Corner of Willoughby property on Willard by the Carleton has been filled with cement
 - Questionnaire: May / June
 - Strategic planning
 - If the Council supports moving forward with the survey, it can have an impact on strategic planning. CAC could work with Council to put questionnaire together.
 - Some in community have the impression that the Council is not moving forward with strategic planning.
 - Villages concept discussion
 - Discussion of the merits of the villages concept and the question of social memberships
 - 5550 Development
 - The tiny amount of green space is a small consolation for having a tall building (or any building) on the majority of the current green space.
 - Developer holding a meeting this Tuesday at 7 pm in the Wisconsin Place Recreation Center next to Bloomingdales. Al raised the question of how the developers accessed the personalized mailing list.
- New business
 - Discussion/analysis of Council elections
- Next Meeting
