Page Park Walking Path that Leads to Town of Somerset Will Continue to be Closed for Another 3-4 Weeks

***** Page Park is an active construction site, please keep out of the park *****

GreenSweep, the contractor hired to perform the redevelopment of Page Park, has informed us that it will need to keep the walking path that leads to the Town Somerset (behind 4615 North Park Apartments) closed for another three-to-four weeks. Since the entire Page Park area, including the walking path, is an active construction site, we would be greatly appreciative if you could kindly **keep out of the park**. We appreciate your understanding and apologize for any inconvenience. We will update the community once the path reopens.
