Minutes

Friendship Heights Village Council Parks and Grounds Committee Monday, April 17, 2023

Council Committee members present: Bruce Pirnie; Alfred Muller, M.D.;
Paula Durbin.

Other Council members present: Melanie White; Michael Dorsey.

Staff members present: Julian Mansfield; Jason Goldstein (via Zoom).

Others present: Five Village residents.

At 7 p.m., Mr. Pirnie called the Village Council Parks and Grounds Committee meeting to order. The purpose of the meeting was to discuss the selection of children's play equipment for the play area in Page Park.

Mr. Pirnie provided background information on the Page Park renovation project and reported that the contract with GreenSweep included a play area for children but did not specify the equipment to be installed. He discussed the parameters for choosing the equipment and shared highlights of messages received from Village residents with their recommendations. Parks and Grounds Committee members, other Council members and attendees also provided their input.

After discussion, the Committee selected the following items for the children's play area: Forest Shop by Kompan; Log Crawl Tunnel by Landscape Structures; Sitting Stumps by

Natural Playgrounds; and Seesaw by Natural Playgrounds. These recommendations will be forwarded to the Village Council for a final decision.

No further actions were taken by the Committee. The meeting was adjourned at 8:34 p.m.

Respectfully submitted,

Bruce Pirnie
Chair, Parks and Grounds Committee
