Notice of New Bus Stop at Willard Towers

The Village is happy to announce the Village shuttle bus will now stop at the entrance of Willard Towers. Please be advised if the bus isn't able to pull up to the building entrance due to vehicles parked in the driveway, it will back into the driveway (on the exit side) to pick up/drop off passengers. This new stop replaces the previous bus stop on N. Park Avenue and Willard Ave., and will not change the current bus schedule times. Please visit our website or the front desk at the Village Center for the revised bus schedule.
