The Page Park Project

Last Fall, the Village Council initiated a project to improve Page Park on North Park Avenue. Within this project, the Council commissioned three landscapers to submit competing designs for the park. The landscapers submitted their designs on Monday, February 28. You can see their designs on the Village website, www.friendshipheightsmd.gov (click on What's New/Updates on Center Programs and Services).

On Wednesday, March 2, at 7 p.m., the Parks and Grounds Committee will hold a Zoom meeting to present the designs and elicit your comments. This meeting will be open to the public. To attend use Meeting ID 863 4455 9870 with Passcode 158286, or dial 301-715-8592 with Meeting ID and Passcode. You can submit written comments at any time by emailing Village Manager Julian Mansfield, jmansfield@friendshipheightsmd.gov.

The Village Council will meet on Monday, March 14, at 7:30 p.m., at the Village Center. Representatives from the landscape companies will present their designs and respond to questions at that time.
