Village Opens New EV Charging Station at 4602 N. Park Avenue

The Village of Friendship Heights is pleased to announce that it has opened its new electric vehicle charging station to the public, located at 4602 N. Park Avenue, Chevy Chase, MD 20815 (located in the back of the building, near the Montgomery County Police Field Office). Please note the following important items when utilizing the Village's EV charging station:

- The charging station will be open 24/7
- No vehicles should be left at the charging station beyond their charging time. Parking is allowed only while charging your vehicle.
- The station is able to charge two vehicles at the same time.
- This service is currently being offered by the Village at no charge.

Electric vehicle users can download the ChargePoint app on Apple and Android mobile devices. Use the app to find electric vehicle charging stations near you; monitor real-time information during a charging session such as occupancy time, energy delivered, and current vehicle charging speed; and check the status of your vehicle's charge. If you should have any questions regarding using the charging station or the ChargePoint app, please contact ChargePoint at 1-888-758-4389, or visit their website at https://store.chargepoint.com/contact-us.
