Path to Somerset Reopened
The Rest of Page Park Remains Closed

Please be advised that the walking path that leads to the Town of Somerset (behind 4615 North Park Apartments) has reopened.

The Rest of Page Park Remains Closed

SFMS, the Village contractor, is still finalizing its ADA improvements and stormwater management work. Per County requirements, the fencing cannot be removed until the new grass is established. We appreciate your understanding and apologize for any inconvenience. We will update the community as soon as the park reopens.
